The success of our Olympic Team is a wonderful way to begin the 2004-2005 competition season. We are especially proud of the women's all-around champion, Carly Patterson who has her roots in Region 8.

The summer training camps were a complete success with both the Future Stars and Level 8 & 9 Camp filled to capacity. A special thanks goes to **Tim Keckler - Lightning City Gymnastics** and **Brad Harris-**

Tampa Bay Turners for hosting the summer training camps. Thank you to all of the volunteer coaches at these camps for their support and dedication to Region 8 athletes. The Level 9, 10 and Elite training camp at Auburn University is currently filled and we are taking names for the waiting list.

My next national JO committee meeting will be in early October. We will be discussing the level 7-10

optional program. It is not too late to get your input regarding the optional levels. Please send any ideas or suggestions to me as soon as possible.

In closing, I wish all of our athletes, coaches and judges a very successful and enjoyable competition season and I look forward to seeing everyone either at the Auburn training camp or at competitions throughout the region.
