Region 8 USA Gymnastics Hurricane Victim Fund

Deb Kornegay, RACC

Through Steve Penny's hard work all disciplines will be working together under one fund for Hurricane relief. There has been a Committee set up to disperse these funds. *Ron Froehlich*, Chairman of USAG Board of Directors, *Kevin White*, Men's Regional Chairman, *Jay Thornton*, Former Olympian, *Nancy Hawkins*, MS SACC and I are on this committee.

I wish each of you could be with me each day as I open my mail and e-mail with all the donations, well wishes and offers of equipment, grips, leotards, gyms to workout in and jobs for coaches. I get chills everyday. Renews my faith in mankind!

Please help the Clubs, Athletes, Coaches, Judges in our Region with a contribution.

WAYS THAT YOU CAN HELP:

❑ **MEET DIRECTORS:** Please consider sending \$1.00 - \$2.00 per athlete in your meets this year to the Region 8 Hurricane Fund. If we could get every meet in our region to do this, we would raise a substantial amount of money to assist the people in need.

❑ **CLUBS – Please consider sending a cash donation to the fund. Any amount will help.**

Please ask class and team family to contribute \$5. Just think how much \$5 a family would raise. Please post this notice on your bulletin board for your clients that may wish to donate to our fund!

❑ **COACHES/JUDGES/FRIENDS OF GYMNASTICS –** Please consider sending a cash donation to the fund. Any amount will help!

Checks should be made out to **Region 8 Hurricane Fund** and sent to

Debby Kornegay
394 Stonebridge Road,
Birmingham, AL 35210-4111

Credit card contributions may be made at the Region 8 Website at: www.region8gymnastics.org

Funds collected will be used to assist hard hit clubs in our region. Please help – They need our help! Many clubs have been devastated by this storm and need assistance as soon as possible – **PLEASE DONATE TODAY!** All donations are tax deductible.

Support the USA Gymnastics Region 8 Hurricane Relief Fund

Since Hurricane Katrina hit the Gulf shores of Alabama, Florida, Louisiana and Mississippi, the USA Gymnastics family has banded together to support those members in the impacted areas. The many offers of assistance have been incredible. The Region 8 Hurricane Relief Fund is the centralized fund-raising effort of USA Gymnastics and its community to support the relief effort. Providing an avenue for those who want to provide financial support, the fund will provide assistance across all disciplines, and is being administered by a steering committee consisting of regional representatives. The fund-raising effort has grown rapidly. By working together, we can far exceed the initial goal and provide significant financial assistance to our members in the affected region. To provide a concentrated, industry-wide effort and eliminate any confusion, all of the independent fund-raising efforts have been rolled into this one fund. Donations from individuals, groups and corporations are welcome. To donate to the fund, go to www.region8gymnastics.org. Log on to usa-gymnastics.org for other Hurricane Katrina-related offers of assistance. Thank you for your support of the USA Gymnastics Family.

Sincerely,

The Steering Committee

Region 8 Turchin Performs New Skill

Marian Dykes, RTCC

Region 8 has a national reputation for new and original skills at the Junior Olympic level. Once again Region 8 had an original skill performed at J.O.Nationals for the first time. A gymnast from Region 8 competed a never before seen skill at Level 10 J.O. Nationals in May. Because of the originality, this skill has been added to the USA Gymnastics J.O. Supplement and will carry the name of the gymnast performing it.

Madison Turchin of *Brandy Johnson Gymnastics* in Clermont, Florida performed a **Gienger in the tuck position on the low bar**. This skill was awarded a "C" value.

Congratulation to Madison on this outstanding accomplishment.

New FIG Code of Points: The new Code of Points will be available by the end of this year and the Elite Program will use the new code for the 2006 season. The Elite Code is entirely separate from the JO code and it is very different. As soon as we have official information about the code we will email clubs that are involved in the elite program with the information. Please make sure Deb Kornegay and Toni Rand have your current e-mail address by e-mailing them at DebGK@Bellsouth.net and Amtwist@aol.com

Reminder: An athlete is not considered Elite until they qualify and compete in a Classic competition. An athlete that has competed in Elite National qualifiers, regional elite meets and the Challenge competitions (& did not compete in a classic meet) is **NOT** considered an elite. These athletes are JO athletes and may compete in any JO competition that they wish to enter.

Elite Testing: Elite testing scores do not carry over to the next season. Athletes that did not compete in a Classic meet (Pre Elites/JO athletes) must pass the elite testing again in 2006.

Elite Committee Notes

- ▣ Elite athletes that competed at the 2005 Championships will be directly qualified to 2006 Classic meets.
- ▣ In 2006, Elite athletes may attempt to qualify to the Classic meet from either the regional/zone meets or by selection
- ▣ In 2006, Elite athletes may attempt to qualify to Classic or Championships from the training camps by score (score TBD)
- ▣ There will be no National qualifiers with invitational meets in 2006
- ▣ In 2006, Elites may qualify to Classic or Championships with a 2 or 3 event qualification score. (Score TBD)

Dear Membership,

As many of you can already imagine, Hurricane Katrina has had a devastating effect on many in our gymnastics family. The response from our gymnastics community has been incredible however it is extremely important for us understand that the effects of this disaster will be felt for a very long time. Although insurance may cover lost possessions, the loss of income by our clubs and are families is much harder to replace. This loss may go on for months and we need your help to raise funds so that we can help our gym families rebuild. I have asked each student at my gym, recreational and competitive to pledge a \$5.00 donation to help our gym families in need. I challenge every club in our region regardless of size to do the same. If you are interested in taking on this challenge at your club, please look on our regional web-page for ready made forms that you can use. Together we have the power to make a difference.

During the past 2 years we have put away money from our training camps to sponsor a special trip for our top gymnasts from Level 9 East Nationals and Level 10 Nationals. We are extremely happy to announce that beginning with the 2005-2006 competitive season, the region will be sending the top 5 Level 10 athletes/National Champions and the top 5 Level 9 athletes/East National Champions to an all expense paid competition either to Hawaii in December or an international training camp during the summer. The region will also cover the cost of one male and one female coach and a delegation leader. A special thanks goes to the many clubs who have supported our training camps as well as the coaches and judges who volunteer their time to make this special trip a reality.

In our next newsletter, I will go over some of the changes that we are implementing to the national apparel program so that we can build team unity at our most important competition of the year. In closing I wish each of you a very successful season. Please do not hesitate to contact me should you have any questions or concerns.

Regards, Paul

The Region 8 USAG Committee will continue to make regional assignments in the summer. The USAG Region 8 Committee at their summer meeting made assignments for both 2006 regional championships. These assignments can be found in the minutes in this newsletter as well as on my web page. If you are a judge interested in being considered for a regional meet, please read the article in this newsletter regarding fulfilling the criteria for a regional assignment. While no judge is guaranteed an assignment, meeting all of the criteria year after year is noticed.

In gym experience cards for regionals 2006 have already been sent. These cards were sent to all Level 10 and higher judges that submit a regional availability for 2006. These cards can be completed using in gym experiences from June 1, 2005 - June 1, 2006. This June 1 due date is a date received. Please be sure you meet this firm deadline. Any Level 10 or higher judge must complete this card to be eligible for consideration by the Region 8 Board for assignment to a regional meet in 2007. If you did not receive a card, you may print one from my web site or contact Marian Dykes.

Availability forms for Regional Championships are in this newsletter. You will not receive an individual mailing. Completed forms must be returned to Marian Dykes and received by June 1, 2006.

Your USAG Region 8 Board will make recommendations from Region 8 for Level 10 J.O. Nationals and Level 9 J.O. Easterns. If a judge does not satisfy the current elite active-status requirements as well as work at one of the Region 8 training camps, they will drop to the bottom of the rotation for Level 10 Nationals and Level 9 Easterns and will therefore be ineligible for the year.

Clarifications for the 2005-06 season include the following:

- ◆ Compulsory athletes must follow current mobility rules.
- ◆ Optional Levels 8, 9 & 10 are allowed to drop back one level without petitioning during the first year of the new cycle.
- ◆ For modified traditional format meets at Level 7-10, the timed warm-up period is now based on 2:00 minutes per gymnast.
- ◆ Meet Directors of all sanctioned events must allow entry to replacement athletes without any additional fee, provided that the replacement athlete is in the same session, age division and level.
- ◆ All age divisions may use the beam at any height within a minimum of 100 cm and maximum of 125 cm.
- ◆ An additional 8" mat may be used for Level 4 bar mounts to accommodate the size of the athlete.

All judges are required to recertify in 2005. In June of 2005, new compulsory routines as well as new Optional rules for the new cycle were introduced. While the past Compulsory rating is valid through December 31, 2005 all judges will be required to re-certify for the new Compulsories (for the 2006-2013 cycle) by passing a written exam. Optional judges will also be required to recertify by passing an exam.

Do you want to judge regionals?

Your Region 8 Board is committed to having the best-prepared judges at all regional competitions. In order to be eligible to judge a Region 8 Regional Meet in 2007, a judge must satisfy the criteria listed in the Rules and Policies and the regional criteria listed below. For all regional meets in 2007, the Region 8 USAG Board will again require each judge to have in gym experience and attend an approved regional or national clinic.

Complete and return an in gym card.

1. In order to be eligible to judge a regional meet in 2007 in Region 8, a judge must have in gym experience. A judge must complete at least 9 hours of in gym experience between 6/2/05 and 6/1/06.
 - ◆ Each experience must be a minimum of 2 hours. The level of gymnasts must be equal to or greater than the level of meet the judge wishes to be considered for. (i.e. Level 10 regionals = in gym experience with Level 10 or elite, Level 9 regionals = in gym experience with Level 9, 10 or elite, etc.) Training sessions at a meet may not be used.
 - ◆ A maximum of 3 hours may be completed in a college setting.
 - ◆ A maximum of 3 hours may be from a Regional or National JO or Elite Training Camp. (A training camp may only count for either in gym experience or clinic experience not both.)
 - ◆ This experience must be an interactive experience; it is not sufficient to sit in the stands and watch workout. Judges must call ahead to schedule gym time. The judge's activities should be under the supervision of the gym's coach.
 - ◆ The judge should keep in mind that the gym club you are visiting is a business. The judge should remain professional and cordial at all times.

Attend an approved clinic.

2. In order to be considered to judge Level 10, 9 or 8 Regionals a judge must have attended at least one regional or national clinic from the following list: USA Gymnastics National Congress, National Technical Workshop, NAWGJ Symposium, Region 8 Congress/Optional Update/NAWGJ Symposium, Level 9/10 Training Camp, Level 8/9 Training Camp satisfies the requirement for Level 8 and 9 Regionals only. If a judge wishes to have any other clinics(s) considered, the judge must submit their request in writing to Marian Dykes for approval by the Region 8 USAG Committee. Please list the date, site, instructors and what this experience afforded you.

A card may be downloaded from the Region 8 website or obtained from Marian Dykes. This card is used to complete documenting this in gym experience. Marian Dykes must receive completed cards by June 1, 2006. The judge will receive confirmation via e-mail (or in writing if they do not have e-mail) within ten days of receipt. If a judge does not receive a confirmation of receipt, they should contact Marian Dykes immediately. Please note that if a state has an in gym experience requirement, it is each judge's responsibility to make a copy of this card and submit it directly to their state.

Complete your availability form.

3. Availability forms for Regional Championships will be in the Fall 2005 and Winter 2006 newsletter as well as online. Marian Dykes must receive completed forms (with a copy to Sheila Ragle) by June 1, 2006.

The Region 8 Committee reviews the list of all of the information submitted by all judges each year. Judges are encouraged to submit all of the required paperwork each year. In order for the USAG Region 8 Committee to select a judge for a regional assignment, all of the criteria must be met.

Sanction Violations - What do I do?

Marian Dykes, RTCC

What happens when there is a meet that breaks a rule listed in the Rules & Policies? Most Meet Directors would be surprised that rules violations are often reported in writing to the State or Regional Committee Chair even if the person reporting is not comfortable enough to list the problem on the sanction form. Every Meet Director must be familiar with the many meet rules and guidelines in the *Rules and Policies*. Here are several of the rules that are often seen broken:

- ◆ Number of gymnast in the session. There is no provision to allow more than the number of gymnast listed no matter what the circumstances.
- ◆ Athletes cannot be on the competitive floor for more than 5 hours. Be careful to design the meet schedule to allow for rotating, judging and even a stop in the meet due to an unexpected occurrence such as a lengthy fall, music breaking, etc.
- ◆ Meets should finish by 10:00 p.m. Be sure and allow time for march in and to march from event to event.
- ◆ Judges must have breaks. Your schedule should provide a minimum of 30 minutes after 3 1/2 - 4 hours of judging time and a minimum of 45 minutes after 7 hours of judging time.

Gymnastics is such a close community, most professional members request that complaints they lodge be kept confidential. Every effort is made to make all levels of the investigation confidential. With this in mind, all sanction violations are taken very seriously. A list of penalties for sanction violations can be found in the *Rules and Policies*. Unfortunately, region 8 has had to issue several letters of reprimand. In rare cases when a second infraction occurs, monetary fine is assessed.

Meet Directors are encouraged to read their *Rules and Policies* and be familiar with it. This book was designed with the combined efforts of many experienced coaches and judges. The rules listed in the R&P will help make your meet a fantastic experience for all.

Region 8 Committee Meeting Minutes

June 9, 2005

Reno Nevada

Meeting was called to order at 9:06 am by Debby Kornegay.

Roll Call

Debby Kornegay	RACC
Marian Dykes	RTCC
Paul Padron	RJOCC (9:30)
Toni Rand	RECC
Sheila Ragle	NAWGJ

(Non Vote) Present for Judges Selection only

Deb Walls	Alabama
Mike McCabe	Florida
Peggy Simpson	Georgia
Patricia Boudreaux	Louisiana
Nancy Hawkins	Mississippi
Jennie Adams	N. Carolina
Joanne Child	S. Carolina
Bob Valley	Tennessee

Deb Kornegay reminded everyone about the need for the use of Confidentiality Statement especially for new state Committee members.

Thank you notes and comments from Regionals were passed around.

MOTION: To use NAWGJ as regional judges contractor for 2005-06.

Motion D. Walls
Second J. Child

Passed unanimously

WTC

Review of why national office has decided to remove JCI's certification responsibilities. The course in Louisville went well. A good core of Level 10's recertified. An item analysis will take place to make sure the tests are valid.

The in-house decision to assume JCI's responsibilities was made by the national office so that USAG could make sure

changes would happen when requested, not having to wait on another entity. USAG now needs to make sure that the judges are continuing to have professional education. (CPE) State chairs will need to appoint someone in each state to maintain CPE records. Before, NAWGJ coordinated this task with an active status coordinator in each state. It's suggested that each state USAG use NAWGJ as the contractor and include the CPE coordinator duties in the motion of the booking contract. The system has been in place and has been working. On the surface, Region 8 will see little change.

The active status card system will be changed. Cards will be stamped at the end of each educational opportunity. WTC is looking for feedback for card design. Judges will keep his/her own signed cards, but send the cover sheet of verification to the authority in each state. Random auditing by the National office will occur in all states. Clinics must be approved; the details are to be determined. Sanctioning requirements will be also determined. It is probable that each counting clinic will have to be publicized and open to the public. The amount of hour-credit will be determined by absolute clock time. There may be some carry over of accrued time. If a Committee member is a Level 10 or higher, then that person does not have to turn in CPE card. New card requirements will start on June 1 2005 and end July 31, 2006. Refer to USAG website for these guidelines. The amount of education is set on a sliding scale according to the level of judge. Higher rated judges will require more hours of education. States will need to request these cards. Each clinic will have it's own unique card. Request for permission for CPE is a work in progress. A determination will be made on who will give permission for CPE on clinics.

Judges assignments for JO Nationals, Level 9 Easterns, Level 9 & 10 Regionals and Level 8 Regionals were distributed.

There was some discussion regarding judges usually available for regionals that did not appear on the list.

We'll vote on our Judges assignment criteria at the Winter meeting.

In-gym cards were distributed.

Sheila asked that we revisit the uniform requirement at Regionals (slacks). Discussion that followed concluded that our Region needs to maintain the professionalism of visual perception.

Questions were asked about a state's rights to amend the judging uniform at sanctioned invitationals. Specific questions should be referred to NAWGJ and USAG Rules and Policies.

Sheila Ragle stated that there were only 6 people registered for the optional update at Auburn. She asked the state chairs to remind the membership of the August 20 deadline. Deb will e-mail the forms to state chairs.

MOTION: To forego the silent auction at Region 8 training camp.

Deb K. reminded everyone that all need to be there to help with training camp and clinic/update. Deb asked state chairs to organize a work schedule the way they're going to help.

State judging selections are to be sent to Marian by November 1st.

Deb Kornegay passed around the Committee member address list asking for updates or changes.

State calendars will not go in newsletter any more, but will go on the web site.

New 2005-2009 planners were handed to members updated with national office information.

Deb Kornegay asked for the dates of each state's 8, 9, & 10 State Meets. Mississippi does not know; Tennessee may go to March 3-4; All the rest are March 10-12, 2006

9/10 Regional time schedule - Request to not go as late on Sunday to get folks home. Start sessions on Thursday. Meet Director suggested that this change in the schedule occur. Deb stated that if there are more kids then we may have to go Thursday night. The idea was to not start with 10's first because they traditionally travel more.

One bid for 9/10 Training Camp was received and two bids for 8/9 Training Camp.

MOTION: To accept the bid for 2006 Region 8 Congress from Boca Twisters in Boca Raton, Florida.

Motion M. McCabe
Second P. Simpson

Passed unanimously

2006 Region 8 Congress will be held June 29-July 2, 2006.

Level 8 Regionals and Level 9/10 Regionals Financial Statements were presented and accepted.

Deb Kornegay asked everyone to please be careful counting the qualifying numbers to Level 8 Regionals. Call Deb if we have any deviation from what we think are the final numbers ; ie. scratches, foreign athlete numbers, etc.

A suggestion was made to divide the age groups into two groups in order for there to be two golds and two silvers. Give the same number of awards, instead of 1-12, giving two age groups of 1-6.

Next newsletter deadline is August 22, 2005.

Sophomore/Junior sheets are needed again.

Deb Walls. suggested that Deb Kornegay be allowed to make a decision about the use of Region 8's donation to the Hall of Fame Ceremony for seats, i.e. whether place at table be used to help athletes attend the event, etc.

In presenting the JO report, Paul relayed that Region 8 was asked to not give apparel to the Elite athletes from Region 8. We discussed gift ideas for those Region 8 Elite gymnasts going on international trips. Deb Walls

suggested a pastel, cool colored passport cover. Region 8 will purchase and get them for Elite athletes.

Deb Kornegay discussed sanction violations from the Region. Apparently a meet director who received a violation letter last year was reported to have had a meet again this year with a time violation. Mike suggested that a fine be levied. Jennie suggested that the meet become a non-qualifier. Others suggested to levy a fine. If other violations occur, then put a non-qualifying status on future meets.

MOTION: To send a letter after an initial sanction violation. A second violation will result in a maximum fine. The third violation will result in a loss of designation as a qualifying meet.

Motion J. Adams
Second P. Boudreaux

Passed unanimously

An additional \$100 will be given by each state at the fall meet to be placed in the Sunshine Fund.

Paul would like all coaches at Easterns and/or Nationals to wear the Regional apparel. In order for the Region to appear more unified, we have to display a more unifying appearance. Paul would like to provide two shirts, t-shirt, and a warm-up suit to the coaches and gymnasts going to Easterns and Nationals. We encourage all coaches to wear the apparel at Easterns and Nationals. More forcefully, if the apparel is not worn, then the states will incur the cost of the apparel. If those coaches do not work training camp, then the apparel would have to be paid for. Mike suggested that the Booster clubs be requested to help encourage the apparel be worn.

Plan B - One set of apparel will be two collared shirts plus one T-shirt. For the first gymnast qualified the coach will be issued two sets of apparel. For each additional gymnast qualified one more set will be awarded up to a maximum of two sets. If the coach volunteered for Training Camp, then the coach will have a custom Region 8 National warm-up suit mailed to the gym. All expressed approval with this plan.

TOPS report. All dates for TOPs Testing are in the new planner.

State Chairman's concerns: Paul polled the Committee to see how each state was working with Levels 2 & 3. It was suggested that a state could call the last meet a State Cup and give the awards as each state chooses. 11 states are registering Level 2 & 3's except Tennessee. Most are having a season ending meet.

Financial statements are July 10th. Deb will e-mail the ending balance.

Inventory report due July 10, 2005.

Athletes registering for levels 2 & 3 should appear on the national printout.

Deb Kornegay praised each state for sending the 8, 9, 10 state meet results by e-mail in Excel.

REPORTS

ELITE Toni has a meeting in July. She is excited about the changes for Elites, but points out that the JO and Elite programs are diverging in philosophy and practice.

RTC - Ask judges to keep in touch with Marian with this changing system.

JO Initial judgment of new routines has been positive. Paul wants to start working on our reward trip with regional athletes. He would like to ask Brad Harris to coordinate.

RC Deb Kornegay indicated that there's some confusion on non-profit status. Our financial reports might be sent to Region 8 and to John Hewitt.

Winter Meeting date January 7, 2006 at Amelia Island unless there is a national conflict.

Committee members voted on Silver Quill award.

Motion to adjourn 2:45 P.M.
