Region 8 Hurricane Update Report

Deb Kornegay, RACC

Over \$110,000.00 has come into the Hurricane fund. We have distributed \$73,693.00 to gyms, athletes, coaches and judges. Please read the thank you's from these grateful recipients of the funds. Most seem to be over the hump, but still have a shortage of students. The Hurricane Committee plans to distribute the remaining \$36,000.00 in the next few months.

Anyone who had damage should contact **Debby Kornegay at DebGK@Bellsouth.net** for forms to apply for funds.

Following are some thank-you letters and a list of contributors who were omitted from the last newsletter along with a list of new contributors since the last newsletter was published.

Dear Mrs. Debby Kornegay and the
Region 8 Hurricane Committee,

Thanks for helping my mom and dad pay for my gymnastics stuff. I am going to Texas on March 3rd. I hope I get picked to go to Belgium. The check you sent me will pay for my trip.

Love,

Alexis

P.S. I sent a picture of me and my team. I am the little one on top!

Dear Mrs. Debby Kornegay and the
Region 8 Hurricane Committee,

Thanks for helping my family with my gymnastics expenses. It felt great to be back in the gym training again. It meant a great deal to me and my family.

Thanks again,

Amanda (T & T Athlete)

Deb,

I received the check today and I was very overwhelmed. Thank you soooooo much. I wasn't expecting this amount. It was a great surprise after another visit from my insurance adjuster whom I haven't heard from since November 15th.

Thank all of you from the bottom of my heart.

Sincerely,

Jackie Latino

Deb,

I got your email and wanted to let you know that I don't have any immediate needs. I am checking tomorrow on that additional insurance I was telling you about because I want to use the money you have already sent for that. You all have helped me tremendously and I really feel that I will be fine now. The money you have given me already has been a blessing. I know there are probably other gyms who need more help than I do now because my business is back on its feet again and doing good. What you have given me has allowed me to keep ahead of things and pay the big stuff. You have no idea how grateful I was for the money you have already sent and I would feel bad taking more when I am doing so good, thanks to you, Nancy and all of those people who donated to the fund.

Sincerely,

Cindy Wallace

Deb,

Words cannot express our thanks to all in the region who have so generously donated to help everyone out. I am truly speechless.

Sincerely,

Terry Kruchowsky
