I just returned from regional congress which was great and wanted to give you a heads up about the **annual Pre-Elite / TOPs clinic and Elite Testing** competition that will be held **December 14-15, 2007** in Orlando (See flyer on next page for the site and hotel information.

We have confirmed **Tammy Biggs** and will be working on additional staff. Mark your calendar now and remember that due to 2008 being an Olympic year that the season will be much shorter with Champs in June - so all National Qualifiers and Classics will be in the spring. This will be a good time to get your testing score out of the way so you can concentrate on your optional work for the upcoming season. In addition, I have my annual meeting in late October or early November and will have changes and new info for you at this clinic.

In addition to a testing competition, we will offer a separate session for TOPS/JO athletes (11 & under) to

work on optional skills from national testing as well as a pre-elite clinic for athletes (12 & up) that are considering the elite program or who are interested in the program.

The following is from Gary Warren. This is the latest schedule for the remainder of 2007 and 2008. All of these dates are subject to change.
