

## Team Gymnastics Camp

**L's 4-Elite // June 26-29, 2008**

The Tampa Bay Turners team gymnastics camp is designed to provide a very high level of instruction in a fun, enthusiastic and positive environment. We are confident that with the facilities provided and the incredible staff that we have assembled, this camp will give every attending athlete the opportunity to improve their gymnastics skill level.

Turners Team Camp is personally run by Region 8 J.O. Chairman and TBT Owner and Head Coach Brad Harris in their 25,000 square foot, state of the art Junior Olympic National Team Training Center. It has two full floor exercise areas, in-ground pit access on every event, an in-ground trampoline, a 40 foot Tumble-Trak and an indoor pool. If parents wish to watch camp in progress we also have a very comfortable observation area. TBT is also fully air conditioned.

**Coaches Interested in bringing athletes or working the camp should contact Brad Harris at TBT (727) 328-8500 - E-MAIL: [Tbayturnrs@aol.com](mailto:Tbayturnrs@aol.com) - WEB: [www.tampabayturners.com](http://www.tampabayturners.com)**
